

Lockdales' Auction #253 Report:

Jewellery: 30th January 2024

Total prices realised: £155,382 (incl. prem.)

Another successful Jewellery auction. What's hot: Coral, opals, antique emeralds, fine cameos; gypsy, eternity and signet rings; vintage costume jewellery; serpent/snake and other animal motifs. Overall the premium interest was in antique jewellery, and high clarity diamonds. Gold chains also in strong demand.

We look forward to our next jewellery offering in The Fine Sale, 9-10 April. Extra Jewellery auctions may be scheduled for excess material during the year, otherwise consignment for the April Fine Sale is available until 8th March.

Also look out for Watches, Clocks, Silver & Virtu coming up shortly on 20-21 February!
